Focus of Meeting – Internet Safety Day

a. **Internet Safety Day – 7th February 2023**

Theme for Internet Safety Day is ‘Want to talk about it’ - Making Space for Conversations about life online

Each class must hold a meeting to discuss the following 3 questions and provide Mrs Walsh with the answers from your classes. Mrs Walsh will share these with the UK Safer Internet Centre and each class will get a special participation certificate

The Questions to discuss are:

1. What issues really matter to children when online?
2. What changes do they want to see?
3. How can we all work together to advocate for them moving forward?

- Mrs Walsh will also be sending round resources to teachers for activities to do to teach children to be safe online. These will be in addition to normal classroom teaching and lessons about online safety.
- Mrs Walsh has organised for PSCO Jessica Thornley to visit school on 8th February to do presentations on Internet Safety with the children
- Mrs Walsh has organised for Year 6 children and parents from across 5 schools to get together in April with representative from Cheshire East Police to talk about staying safe online

2. Road Safety

- a. In December, The Safety Ambassadors met with Councillor Browne and staff from Cheshire East to talk about road safety
- b. Mrs Walsh gave a whole school assembly about road safety and safer parking

- c. Mrs Walsh, Jackie and the Safety Ambassadors will go out to Eaton Drive and Church Lane before school to distribute leaflets about parking safely. Mrs Walsh will sort a date with Jackie and the children.
