

ALDERLEY EDGE COMMUNITY PRIMARY SCHOOL

VE DAY 2025

Celebrating the 80th anniversary of victory in Europe.

We would like to invite our children to join us in celebrating 80 years of VE Day and to honour the sacrifices made by many during the war.

To commemorate the day, we will be having a whole school picnic.

This event will be on: **Friday 2nd May.**

We request that the children bring in a small snack from home to enjoy.

To add a sense of occasion and to bring the history alive, we would like the children to come to school dressed in typical 1940's clothes.

*With special thanks to our **PTA & Bloc Building Consultancy** for supporting this event.*
