

Alderley Edge Community Primary School

Behaviour Policy During COVID 19 School Closure

This policy was for children who are on site or being home schooled during lockdown.

Expectations of Behaviour at AECPS

At AECPS, we expect children to behave well at all times. When members of staff see children behaving well in school and on the playground behaviour is rewarded with :

- A 'well done'
- House points for our houses (Tatton, Chorley, Capesthorne and Warford) given by teachers
- Class awards – given to whole classes that are well behaved
- Certificates – emailed home
- Child of the Week - emailed home
- Midday awards – verbally given
- Letters home from the Headteacher

Adults and staff look for:

- Enthusiasm for learning
- Trying our best
- Good manners
- Respect towards children, teachers and school property
- Listening to others
- Children being polite and helpful
- Children following the school rules

School rules

Always try your best

Tell an adult if we have a problem

Respect each other and school property

Follow instructions quickly

Take responsibility for our actions

Additional Rules for Children Offsite

- Complete home learning activities set by teachers as best as I can
- When using video meetings with teachers follow the school rules

What happens if you don't follow the rules

- Receive a verbal warning from your teacher
- Parents might be told
- Mrs Walsh might be told
- You will not be allowed to participate in video meetings

Unacceptable behaviour

- Not following the school rules
- Stopping children learning
- Rudeness or being disrespectful
- Physically hurting someone
- Not following instructions
- All forms of bullying

Luckily, children in our school behave well. We can all make mistakes as long as we can learn from them and make the right choices.
