Focus of Meeting – Child Friendly Policies

1) Child Friendly Policies – The different classes have been drafting their own versions of the school policies so that children can understand them. The following child-friendly policies were shared:

- o Safeguarding Policy – Year 6
- o Behaviour Policy – Year 5
- o Attendance Policy – Year 4
- o Healthy Eating Policy – Year 3
- o Participating in PE – School Games Makers

The school councillors shared their policies with other year groups. They discussed them and made sure that the very youngest children could understand what they were saying.

The councillors edited and improved the policies.

They agreed that there should be a common format to them and include:

- School logo
- AECPS in the title
- Make a Difference
- School name
- Contact details for school

Mrs Walsh agreed to make the changes and format the policies so they all had a common style and included the improvements

The school councillors wanted to publish their policies in classrooms, on the class VLE and the school website.

Mrs Walsh will share the policies with the school council who can then share them with their classes.

2) Voice of the School –Mrs Walsh listened and discussed from each class one thing that the children in each year group thinks is working well and one thing that would make our school even better.

	What is working well...	Even better if...	Action
Year 6	DT Days Drama	Table tennis club	Mrs Walsh to consider a Y6 table tennis club

Year 5	School clubs All children have access to notebooks School sports	Ice cream served in the kitchen did not contain palm oil	2 year 5 councillors to meet with school cook to discuss
Year 4	Not discussed in class council	Not discussed in class council	
Year 3	Children work well together School lunches are healthy School trips	Different range of playground equipment including hoops and skipping ropes	Mrs Walsh to talk to Mrs Clew about recycling old PE equipment into the blue box
Year 2	Football pen	Use football pen for other ball sports at break	Discuss further at next school council
Year 1	School rewards	Make the quiet area clearer on the KS1 playground	Year 1 to make signs for quiet area Mrs Walsh to look at possible developments for KS1 playground.

3) Healthy School

Miss Hilton spoke to the school council about the healthy school policy and children bringing unhealthy snacks to school.

It was decided to have a **new year's resolution** for the whole school and introduce 'Treat Friday'

Children to bring in healthy snacks only on a Monday to Thursday and if their parents choose they can bring in an unhealthy snack on a Friday.

The school kitchen will continue to serve toasted items.

Miss Hilton will write to parents to let them know and school councillors will tell their teachers and classes.

Action for School Councillors for next meeting

- Tell classes about Treat Friday
- Hold class council meeting
 - Share minutes
 - Share policies
 - **One** thing that is great about our school
 - **One** thing that would make our school even better

Next meeting – 6th February @ 1.30pm
