**Focus of Meeting – Children’s voice**

- 1) Mrs Walsh explained how the School Council is the voice of the children at our school and that School Councillors have an important job to help Mrs Walsh and the teachers know what the children are thinking and feeling. They can offer opinions that might help make decisions for the school.
- 2) **Class Council Book** - Mrs Walsh asked each class to make a School Council book to record minutes from class meeting so they can be shared at school council. Each class to have its own book that can be decorated accordingly.

3) **Children in Need –**

Mrs Walsh opened the meeting and discussed with the children their ideas for fundraising linked to Children in Need Day.

The children came up with lots of ideas from poster competitions to cake stalls

The final decision was to do the following...

- A non-uniform day – wear bright and/or spotty clothes for a donation of at least £1
- Each class to join Joe Wicks for his 24 hour PE Challenge finale workout

All money donated will then be collected, counted, banked and donated to Children in Need.

Mrs Hill will write to parents to let them know.

4) **Bullying Prevention**

Following on from the Great Big Anti-Bullying Assembly, each class to appoint up to 2 Bullying Prevention Ambassadors (BPA). Each class council to decide on

- Who their BPAs will be?
- What will their role be?

Class councillors to inform Mrs Walsh who will make a children’s job description for the BPAs.

5. **Voice of the School** – at each meeting Mrs Walsh will listen and discuss from each class two things that the children in each year group thinks are working well and one thing that would make our school even better.
